Port Edward is very proud of the many compliments we receive on our beautiful green spaces. Lets take that a step further and make sure our properties and buildings look our best. We need our community to support our efforts and only if we all pitch in this can be accomplished.

This year we are having a Contest!!

Public Works

The Port Edward Public Works Department would like to remind all residents that all dogs must be on a leash, fenced or in a kennel as per our Animal Control Bylaw # 519. We have had a number of complaints regarding dogs running at large, being noisy and owners not cleaning up after their dogs. Please be considerate and clean up after your dog and don't allow your dog to be barking for long periods at a time. Also, ensure your dog has a current dog license, see bylaw #519 for details on our website.

Port Edward Boat Launch Rules & Regulations

We want to ensure that all boat launch users have the ability to launch and load their boats with minimal wait times.

- Tying your boat to the dock is at a 15 minute maximum and we request that you tie to the end of the float to ensure that other users are not restricted from using it.
- Please drop off your fish for cleaning and pull your vehicle and trailer out of the area. Ensure the table is clean when you leave.
- Ensure fish remains are dumped in deep water, so that they are not exposed at low tide.

Fire Restrictions Reduced

July 24, 2017 – Effective at 12:00 pm on Monday July 24, 2017, fire ban restrictions within the District of Port Edward have been reduced. Cooking fires contained in a fire pit that conform to Port Edward Municipal Code are no longer banned within **residential areas only**. Open fires are still banned within District boundaries and a provincial fire ban remains in effect for the rest of British Columbia until further notice.

For more information on open fire regulations in the District of Port Edward visit:

<http://www.district.portedward.bc.ca/content/bylaws-1>

For more information on the provincial fire ban visit www.bcwildfire.ca

Please be safe while enjoying a cooking fire.

Bear Aware

Summer is here and we would like to request that all Port Edward Residents help out when it comes to keeping bears out of the community. **Please ensure that all your refuse is placed in a garbage bag and inside a sealed, water tight container with a lid.**

Properly storing or securing residential garbage and other bear attractants is a proven method for discouraging bears and preventing nuisance problems around homes and neighborhoods.

Bears are attracted to: Garbage Cans, Bird Feeders, Pet Food, BBQ Grills, Smokers, Compost, Beehives, Fruit and Nut Trees, Petroleum Products, Rabbits, Chickens and Small Livestock. These items should be properly managed.

- If you see a bear; remain calm, don't panic. Often the bear is simply looking for food and will move on if it finds nothing to eat.
- Keep away from the bear and go inside with children and pets.
- Never approach the bear and don't run from the bear.
- Do not act submissively by crouching down or whispering.
- Warn others of the bears presence, but don't do it by yelling. If the bear climbs a tree, keep people and pets away. Eventually when things quiet down, the bear will come down and leave. This usually happens after dark when the bear feels safe.
- Once the bear is safely out of the area, check your yard to ensure there are no attractants available.

If there is a bear sighting, call the Conservation Officer Service at: 1-877-952-7277 and the District of Port Edward 250-628-3667.
