Mayor's Message

I am honoured that the residents of the District of Port Edward have given me the privilege and responsibility, and I express my sincere appreciation for placing your trust in me. My fellow councillors and I have a great responsibility over the next four years to carry out the mandate we were elected to carry out. I take this responsibility and the trust you have shown very seriously and I commit to serving the people of Port Edward to the best of my abilities.

Since the council's swearing in on November 6th we have been busy with planning for the next year and the future. On November 25th council held a strategic planning session. The information from this will be going out to residents in the Spring when we have the financial information to complete it.

We have begun work on locating a dog park and clearing the land we own behind the Maverick Mart which is listed for sale. We have had an engineering firm inspect and evaluate the water plant to ensure it is operating to its optimum level. We will be reviewing their report in the coming weeks. We will be meeting with CN later this month to discuss the whistling issue, and we will report back to you on the outcomes.

As Mayor I plan on having a monthly message to keep you informed. You can also contact me at 250-628-3667 with your concerns and questions.

I would also like to take this opportunity to wish you all a Merry Christmas and all the best to you and your families in the New Year.

Knut Bjorndal

Public Works Department

Winter is here and in order to better serve our community, we request that all obstacles (vehicles, recreational vehicles, boats and trailers) on the street be removed so that sanding and plowing may be done.

Also, a reminder that any unlicensed vehicles and recreational vehicles left on the streets or boulevards will be towed.

Drive BC

Drive BC would like to remind everyone that winter road conditions are upon us! Please drive with respect to the rapid-changing road conditions we can be subject to on the North Coast. During the winter season operators are on the road please use care when you see them.

The following services are available to provide you with the latest conditions, construction, and maintenance work being performed on Major B.C Highways, and winter driving safety tips. Please use caution when approaching the winter maintenance equipment. Winter Operators may be plowing snow and slush, which carries a fair distance from the truck with much force. Please slow down as you approach equipment.

Dog running at large

The District of Port Edward received several complaints regarding dogs running at large and attacking other dogs or intimidating individuals on public property.

We would like to remind dog owners that as a pet owner you are responsible for the actions of your dog.

Please ensure your dog is not running at large and attacking other pets or individuals.

We all love our animals and want them and others to live in a safe environment. We would also like to thank everyone that registers their dogs and ensure they are happy and safe pets.

The 2019 dog licenses are available and should be renewed by January.
